

District To Participate In Civil Defence Manoeuvres

The Municipal District of Mountain View No. 49 Civil Defence organization will actively participate with Alberta Civil Defence and 19 other municipal civil defence organizations in the Canada-wide Exercise "Co-operation III", 24th and 25th of April.

The exercise is designed to train control centre staff at all levels of government in Civil Defence functions, including the method of co-operation with the armed services. It will also test communications and warning systems procedures on a provincial and national scale.

Mr. W. J. Bagnall, Director of Civil Defence for the Municipal District of Mountain View will be in charge of operations.

The exercise will begin at 9:00 a.m., April 24th and will conclude at 9 a.m. on the 25th. Although no action will be taken outside control centres, the control room staffs will face problems identical to those which would result from H-bomb attack.

Edmonton is the only Federally designed target area in Alberta, but because of the province's strategic position there is the constant danger of random H-bomb bursts from short-down and ditched aircraft.

Radioactive fallout from an H-bomb explosion presents a problem for civil defence workers as serious as the explosion itself. Fallout will extend downwind from the burst to cover an area 200 miles long and 50 miles wide. The farthest corner of Alberta is vulnerable to fallout, and random bombs.

Extensive training of civil defence personnel has preceded the exercise. More than 180 Civil Servants and municipal volunteers have recently completed Control Room Procedure Courses at the Alberta Civil Defence School in Edmonton.

NOW WE'VE SEEN SIAMSE PIGLETS IN THE FLESH, YET!

Mrs. Lawrence Hunter gave us a quick jolt Tuesday afternoon when she opened a box on our counter and asked us to peek in. 'Twas Siamse piglets, no less!

They were joined from front to back, facing each other and were still very much alive, but Mrs. Hunter informed us that only one of them would take food.

On her way to a veterinarian, she commented that she doubted if either would live. There were 10 healthy offspring in the same litter.

Westcott News

Best wishes are extended to Mrs. Ethel Konechuh, Westcott's teacher, who was admitted to hospital on Monday last.

The baby daughter of Mr. and Mrs. Bill Bonner has been quite ill, but it is reported she is now much improved.

Mrs. Ida Jacobson visited with her son Linden and Mrs. Jacobson on Sunday.

Mrs. Sid Willow is a Calgary visitor this week.

DIDSBURY W.I. HOLD APRIL MEETING

The April meeting of the Didsbury W.I. was held at the home of Mrs. Pieper with 13 members and 2 visitors present. Roll call was answered with an article of used clothing and the bit of fun was a showing of antiques.

A thank you note was received from the senior citizen's home for the gift of home baking which was given for Easter; also the donation of \$10 was acknowledged.

The tea draw netted \$15.00 and the prize was won by Mrs. Wittaker.

The articles for the handicraft tea have been handed in.

The next meeting will be held at the home of Mrs. Rathburn, on May 12th.

HOME AND SCHOOL ELECT NEW OFFICERS

A regular meeting of the Didsbury and District Home & School Association was held April 13th in the school auditorium, when a new slate of officers was installed. They are:

Associate president, Mr. E. T. Wiggins; president, Mrs. H. Traub; 1st vice-president, Dr. L. Miller; 2nd vice-president, Mr. L. Hunsperger; secretary, Mr. H. Hamlin; treasurer, Mr. Jim Hooper.

Miss Mary Kirker, an accomplished violinist from Olds, accompanied by Mrs. Paul at the piano, delighted those present with two numbers.

Highlighting the evening was a talk given by Dr. Paul, who spoke on "Civil Defence and Radio Activity." He stressed the necessity of informing people of the need for civil defence and that the civilian population must know what to do for themselves in case of nuclear warfare.

The speaker outlined different methods of protection; in all the lecture was most instructive.

Rugby W.I. Protest Rental Fees

The Rugby W.I. met on April 7th at the home of Mrs. Doug Hoesgood with 16 members and two visitors present.

The Jubilee Scrap Book was typed by Mrs. Jas. Anderson, of Calgary and sent to Edmonton.

A protest was voiced against the Didsbury School Board for the \$30 charge it had set for the use of the auditorium on April 25th, for the Handicraft Tea and Exhibit.

After all, do we not pay taxes for the upkeep of our schools, and do not the Institutes devote their profits to charity and welfare? The tea will be convoked by the Rugby members.

Gratitude is expressed to the many patrons of the Variety Concert held on April 1st. Plans are being made to repeat the program, plus two more comedies, at the Cremona School, on Friday evening, April 17th, in aid of the Home and School Association. It is hoped that a good crowd will attend, so that the debt incurred by the purchase of 100 chairs can soon be paid.

Four Albertans who will take part in the Canada-wide Civil Defence Exercise "Co-operation III" are shown during a Control Room Procedure Course at the Alberta Civil Defence School in Edmonton. Left to right are Mrs. Dorothy Winter of Carstairs, Mrs. Rose Bekstrand of Didsbury, Mr. Elmer Spreeman of Olds and Mr. Ken Waugh of Didsbury. (Govt. Photo)

ROSEBUD LEAGUE TO OPEN SEASON IN MAY

An organizational meeting of the Rosebud Baseball League was held in Carstairs on Monday night. Six teams will be on the schedule this season. They include:

Didsbury, Hainstock, Innisfail, Bowden, Aldrie and Carstairs-Crossfield.

The locals will meet in the Didsbury fire hall on Tuesday, April 21st, at 8:30 p.m. to plan their campaign. Anyone interested in playing, or supporting, are urged to attend this meeting.

First league game is scheduled for Sunday, May 3rd. A list of the full league schedule will appear in a later issue of this paper.

Bible College Closing Events Next Week

A Bible Conference will begin in the Didsbury United Missionary Church on Thursday evening of this week. Each evening Thursday through Saturday and again Sunday evening, Rev. Walsh will speak. This fine speaker comes here from Stouffville, Ontario.

He will speak at 8 p.m. during the week and 7:30 Sunday evening. Services will also be held in the afternoon of Friday and Saturday, at 2:30 p.m.

Rev. Kenneth Geiger, general superintendent of the church, will show pictures of his recent world tour for missions at 7:30, Friday and Saturday evenings prior to the evening service. He will also speak in the chapel of the College each morning at 11 a.m.

Note the following carefully: Sunday afternoon, April 19th, Baccalaureate Service in the United Missionary Church at 2:30 p.m. Rev. Walsh, speaker.

Monday evening, April 20, Commencement Service in the church at 8:00 p.m. Rev. Kenneth Geiger, speaker.

Alumni dinner in the Student Centre, Monday, April 20th, at 10:00 p.m. All alumni members note this please.

TANK REGIMENT TO HOLD SOCIAL EVENING

All former members of "A" Squadron, Queen's Own Calgary Regiment, are invited to a social evening in the Old Armories on April 17th, starting at 2:00 hours. It will be a star affair, dress optional, refreshments, buffet lunch.

The ladies club for the building fund.

The ladies plan to hold a dance at Mountain View Hall on June 19th as one of their money-making efforts.

MEN'S GOLF MEETING COMING UP FRIDAY

The male section of the Didsbury Golf Club will make plans for the new season at a meeting in the club house on Friday night, starting at 8 p.m.

Election of officers will take place and plans made for further improvement of the course.

A MOMENT WITH MONS...

Didsbury delegates attending the convention held in Calgary last week were: Mrs. P. Evans, Regent; Mrs. E. Ford, Commonwealth Relations, attended entire session; Mrs. R. D. Kimmel, Standard Bearer, attended for two days; Mrs. P. Nichol, treasurer and Mrs. J. Wordie, secretary, attended the opening session.

National president, Mrs. A. R. Richardson of Toronto, spoke saying: "It is the duty of Canadian adults to supply leaders of youth organizations to teach them the principles of democracy, stimulate an application of our way of life and imbue them with a sense of National pride."

Local Scouts Enjoy Winter Outing

I'm sure that at this late date the following cannot come under the heading of news. However, through the courtesy of the Pioneer it will afford the people involved an item for their scrap-book.

The 2nd Didsbury Troop Scout held their annual Spring Camp during the Easter holidays. They went to the same suitable spot, and once again they extend thanks to Mr. Bill Davis for his kindness in allowing them the privilege of camping on the banks of the Little Bow. For the record, the dates were Tuesday, March 31st through Thursday, April 2nd.

Two features were different this year: the weather was just about ideal and the Calgary 89th Troop joined with the local boys in camping. A total of 29 were registered at the camp.

As a "calculated risk" (and knowing the Bergen store was just over the hill) the menu was divided equally among the boys; not much was needed to be purchased. The menu perhaps was more Waldorfian than Waldorfian, but it was ample. With one exception the culinary art exhibit was better than expected, and to say that exception was the Scoutmaster's chicken. Someone should have told him what happens when you try to roast a frozen unthawed chicken, and the risk involved when you leave a fireman to tend the fire under a frozen unthawed chicken. But the boys cooked their birds to perfection.

Quite a few of the Scouts had this camp as an initiation. But they all did well and show great promise. Local boys who attended were: Brian Shantz, Dennis Brado, Dave Annett, Patrol Leaders, Blair Janzen, Edward Stauffer and Mervin Snyder; Seconds, Gerald Neeld, Allan Hunsperger, Larry Harder, Levere Larsen, Robert Hooper, Donny Habermehl. The camp was in charge of Peter Waldin, and well assisted by Virgil and Arnold Stauffer and Gordon Cabel.

Thanks are heartily extended to Mr. A. Snyder who loaned his bus and Mr. A. Hobermehl who hauled the camp baggage there and back.

Alf Brusso Dies In Ottawa Hospital

Alfred Brusso, a long-time resident of Didsbury, died in Ottawa on Wednesday, April 8th, at the age of 73 years.

Mr. Brusso was born in Hanover, Ont., in 1905. He was secretary-treasurer of the Municipal District of Mountain View for 40 years and served as town clerk at one time. He was a past master of King Hiram Lodge, A.F. and A.M.

He is survived by his son, Alfred Jr., an army officer now stationed in Ottawa.

Rev. Gladys Giffin conducted funeral services from Knox United church, Didsbury, on Monday at 2 p.m. Interment took place in Didsbury cemetery, with full masonic honors.

LONE PINE W.I. HOLD REGULAR MEETING

The March meeting of Lone Pine W.I. was held at the home of Mrs. Alf Thompson with 19 members and 6 visitors present. Roll call was the exchange of slips, bulbs or seeds. Mrs. Ken Wood reported on the Executive meeting at Didsbury.

Mrs. E. Dowell and Mrs. Bruce Shiels were chosen as delegates to the Biennial Convention at Edmonton.

A donation of \$25. was donated to the library and \$25. to the United Appeal.

Profit from March 13th dance netted \$10.46.

Mrs. D. Thompson and Mrs. Roy Milne reported on the local girls club. Mrs. Sam Elliott gave a very interesting paper on Agriculture and Canadian Industries; her topic being "Soy" "Maple Syrup in Ontario."

Mrs. Harold Shiels reported on the local library; at present there are 468 books in the library.

Mr. Harry Richardson spoke on building an addition to the Lone Pine Hall.

Mrs. Bill Persinger won the 10c draw which netted \$2.75.

GUESS WHO !!!

"They don't smoke cigarettes, they don't even smoke cigars, alcoholic beverages do not pass their lips; their income tax is reputed to be higher than ours. Guess who?"

LARGE BARN DESTROYED BY FIRE

Last week Didsbury had more than its share of fires; one big one and several of the smaller variety.

Largest loss was a barn in the south-east end of town, owned by H. E. Wood. The large structure was totally destroyed before the local fire department had a chance to combat the flames. The building was valued at \$10,000 and was only partially covered by insurance. Contents of the building, including a house trailer, feed supplies and an undetermined amount of equipment, which surrendered to the flames, were not under insurance coverage.

South West Didsbury

From Our Own Correspondent

Mr. and Mrs. Cliff Eckstrand spent last week in E.C. visiting with Mrs. Eckstrand's mother at Hedley.

Mr. and Mrs. John Folkmann were Sunday guests of Mr. and Mrs. Ed Bartz.

Mr. and Mrs. Dave Patton had Mr. and Mrs. Henry Wiebe, of Red Deer, as Sunday visitors.

Mr. and Mrs. Arnold of Calgary, Mr. and Mrs. Jack Meyer and Mr. Dave Shank were Sunday guests at the Carl Meyer home.

The Birthday Club will meet at the home of Mrs. Jack Clarke on Tuesday, April 21st.

WESTERDALE NEWS

From Our Own Correspondent

Nine tables of military whist were in play at the hall on Monday evening. The successful defenders were Mrs. J. E. Bolton, Mrs. B. Brimmon, Mr. B. Brimmon and Mr. W. Wigley.

The Willing Workers regular meeting was held at the home of Mrs. Darol Herbert last Wednesday afternoon, with 12 members and one visitor present.

Roll call was answered with "An Easter Legend." A lengthy discussion took place with regards to renovating the picnic stand.

A motion was passed to assist in the purchase of coal for the hall. The highest prize was won by Mrs. Ben Kershaw.

Mrs. Harry Jackson was a Calgary visitor on Friday to be with her daughter Barbara, for the Breaking Up Exercise of the U. of A. held at the Jubilee Auditorium on Saturday.

"Aunt Jo" - Mrs. Josephine Choiniere of Montreal - observing her 100th birthday, holds letter of congratulations she received from Prime Minister Diefenbaker.

A NOTICE TO ALL MOBILE HOME OWNERS

Bill 76, an Act to repeal the Mobile Homes Licen-
sing Act, was assented to on March 31st, 1959.

As a result, no further Mobile Homes Licenses
will be issued by the Department of Municipal Affairs
Highways Building, Edmonton, or by any branch of
the Department, except to Mobile Homes in improve-
ment districts.

The power to license Mobile Homes is being given
to the municipalities at their discretion. Mobile Home
owners must now secure licenses from the authorities
of any city, town, village, municipal district, improve-
ment district or county in which the Mobile Home is
being occupied where Mobile Home Licensing by-law
is in effect.

The current licensing year begins April 1, 1959 and
Mobile Home owners should acquaint themselves with
licensing regulations in the municipality in which
their Mobile Home is situated.

Ramblin'

and

Roamin'

Somebody Goosed Last Week . . .

The gremlins were working, or the make-up man was doing a little dreaming, when the front page of this family journal was thrown together last week. Some hu or other the headings on the two main articles slipped into the wrong slot — the stories didn't follow the lead. Transpose the headings and you'll be home-free. We're still blushing a bit!

Supposed To Be Official . . .

. . . that the go-ahead sign has been tacked on the plans for a new post office for Didsbury. We hear that work may commence within two months; an alternate deal puts it in the winter works program. We hope the two-month plan goes over; by winter "Die!" may be broke again, yet!

Children's Library Corner . . .

Sure enough, we've got a good one; situated in the town office, which is open every Saturday night. There's a great selection of books filled with facts and fiction for the wee ones. Take a jaunt Saturday night with the "small fry" — you're journey won't be a lost cause!

Knuckles Bent Again . . .

We had a visit last week from the doctor in charge of the Mountain View Health Unit. He was a bit upset about a few notes that appeared in this column recently about the control of communicable diseases; we hear the unit nurses were more upset (hope we don't have to take the needle from any of them). However, our visitor outlined the regulations set down by the provincial health minister, the regulations that are being followed here. A city doctor, a health officer, and yours truly, must bow to greater wisdom, and regulations we don't agree with.

More Truth Than Fiction . . .

"A man's life is 20 years of having his mother ask him where he is going; 40 years of having his wife ask the same question and, at the end, have the mourners wondering, too."

Guest Editorial

THE BUDGET REACTION

Initial reaction of the "man-in-the-street" to Mr. Fleming's budget was that perhaps it wasn't too bad. Personal income tax boosts were moderate for the average taxpayer; sales tax increases on some items would be a "nuisance" but were not too onerous.

That was the initial reaction. Things look a little different now that the manufacturing sector of the Canadian economy has been heard from. The manufacturers are almost unanimous in saying that the higher corporation taxes will be passed on directly to the consumer in the form of higher prices for goods. And that's where the "man-in-the-street" is going to be hurt.

Taxpayers are getting another lesson in economics. They are finding that when government spending is increased it is reflected not only in direct tax increases but indirect increases as well. When governments start to spend more money, taxpayers figure out the cost of living will increase; not only will they not have as much money left from their salaries after tax deductions but also the things they want to buy will cost more. Result is a lower standard of living and further proof that government attempts to "buy prosperity" don't work out as planned.

The fact that manufacturers will pass along all sales and corporation tax increases to consumers should surprise no one. There are not too many manufacturers these days — what with the ever-increasing cost of labor and materials — who are not working on a fairly tight margin of profit. They must pass on increased costs or go out of business.

However, there is one area of concern in this business of "passing on" taxes. That is where the increased taxes are used as an excuse to grab an extra profit, which has nothing to do with taxes. Too many businessmen, we suspect, are inclined to think that it's clever to tack an unjustified price increase on their products and blame the federal government.

We note, for instance, that cigarette manufacturers have worked out the increased sales and corporation taxes on their products at 22 cents for a package of 20. Price of cigarettes, therefore, will go up 3 cents a pack, giving the manufacturers an extra profit of 0.8 cents per pack. The new taxes are a bonanza for them. Not content with this they are talking about price boosts on out tobacco, which was not affected by the budget at all.

Provincial liquor boards, greedily seizing on the situation, are declaring that the excise tax on liquor — amounting to approximately 12 cents on a 28-ounce bottle — will necessitate price increases of anywhere from 20 to 75 cents a bottle. Those are merely two obvious examples. Others will come to light as other industries figure how they can make the new taxes work best for them.

Will these extra potential profits mean more prosperity for Canada? We doubt it very much. The already wary customers are much more likely to tighten their belts, harden their sales resistance, make do with what they have. The combination of higher taxes and the squeezing of extra profits may have a drastic effect on the Canadian economy.

— Calgary Albertan

CIVIL DEFENCE GROUP HOLD MASS MUSTER MEETING

A special muster of all personnel of the M.D. of Mountain View Civil Defence organization was held in the Didsbury school on Wednesday night of last week. A considerable amount of organizational work and briefing of the various units of the organization was accomplished.

Dr. Paul gave a graphic description of the effects of radiation and stressed the need for trained monitors to detect radiation; also the fact that knowledge of the danger to be faced would prevent the fear which would render the population ineffective and panicky in case of an attack.

Mr. Wm. Bagnall stressed the need for organization in these troubled times in order to best combat the attackers and carry on as normally as possible with the economy of the country.

Notes From D.A.

By HOWARD FULCHER
District Agriculturist

Accidents are caused, they do not just happen. Every year there are many deaths on the farms and many injuries due to accidents with machinery. The tractor is the number one lethal machine on the farm today.

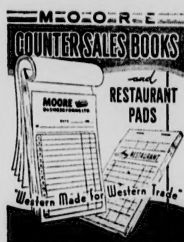

Most accidents occur in the Spring due to fatigue, haste and lack of sound judgment. Tipping the tractor is common; in Spring the shoulders of roads are soft, ditch banks are soft and side hills are not firm; be very careful when operating in these areas.

When a machine becomes stuck in mud holes and the tractor is hitched on at a distance, be sure the tow line is fastened to the tractor at the draw bar level or below; this prevents the tractor from rearing; this rearing has caused more than one death by tipping the operator and tractor.

In hitching the tractor to an implement be careful; a little time gained by rushing may cost dearly. No matter how much time it takes, attach all safety shields for power-take-off shafts.

Remember, operating a tractor long hours is a man-sized job; children cannot be expected to do this; they will soon tire and with this fatigue and the lack of adult physical and mental ability they are flirting with danger.

In the rush of this season avoid accidents, do not make mistakes that cannot be corrected. Remember, "death is so final."

HOW FERTILIZER BOOSTS YOUR PROFIT ON BARLEY

YOU CAN MAKE UP TO \$9.00 PER ACRE MORE!

Actual field tests show how your net profit per acre of summerfallow barley is boosted by the use of Elephant Brand Fertilizer.

In the table below, note that the increased profit figure takes the cost of fertilizer into consideration. An increased profit of over \$9.00 per acre is certainly worthwhile.

Fertilizer per acre	50 lb. 11-48-0 (Cost \$2.70) *
Increased yield per acre	16 bu. (worth \$12.00)
YOUR INCREASED PROFIT PER ACRE	\$9.30
OR \$930.00 ON 100 ACRES OF BARLEY	

* Fertilizer cost figures per acre are approximate.

When properly fertilized, barley grown on stubble land will show an equally profitable return per acre . . . For greater net profits per acre from any crop on any soil, contact your Elephant Brand dealer listed below for the right information.

It pays to use

Elephant Brand FERTILIZERS

AMMONIUM PHOSPHATE	11-48-0	AMMONIUM SULFATE	21-0-0
AMMONIUM PHOSPHATE SULFATE	16-20-0	WATER-SOLUBLE AMMONIUM NITRATE	18-0-0
AMMONIUM NITRATE-PHOSPHATE	23-21-0	COMPLETE FERTILIZER	10-20-10
AMMONIUM NITRATE-PHOSPHATE	27-14-0	COMPLETE FERTILIZER	10-20-10

What Other Papers Say . . .

THE PICTOU ADVOCATE feels that the television producers who recently were on strike were generally not yet fully qualified even to be called producers. The only strike we have not worried about is that of the Montreal television producers. Apart from the principles involved, we did not seem to care whether it was ever settled, as some of the substituted programs seemed more interesting than the previous ones. It should be noted here that television is comparatively new and the number of persons who might call themselves producers is limited indeed. They might at least have served their apprenticeship before getting on their high horse.

THE MACLEOD GAZETTE objects to people driving to fires merely to satisfy their yearning for excitement. It is the same in cities as in small towns — curious people cannot resist the temptation to jump into their cars and rush helter-skelter at the first wail of the fire siren. Likely they would do the same if it was announced that a bold bad outlaw was to be publicly hanged — anything for a thrill.

THE BROOKS BULLETIN contends. . . While John Foster Dulles the American secretary of defence, was maligned for months past by critics in both the United States and Canada, we, in our humble way, thought he was doing a magnificent job. Now that he is probably nearing the end of his earthly career, those same people are realizing what a strong and astute man he was. The United States will find it difficult to adequately replace him.

WESTCOTT JUNIOR W.I. PLAN FOR HANDICRAFTS

Mrs. C. Reinhart and Mrs. Fred Luft were housewives to the April meeting of Westcott Jr. W.I. on Wednesday, April 8th. There were 14 members, and 2 visitors present.

Mrs. Ted Topping gave the report on the executive meeting and arrangements were made for the handicraft tea to be held May 2nd. Mrs. Cliff Murphy won the table-centre, with Mrs. C. Reinhart a close second.

Flamlette was handed out to be sewed up for Unitarian Service.

Mrs. Bill Wedner had as her handicraft topic, a demonstration given by Mrs. Arnold Blain, of Elkton, on how to make flowers, table-centres etc. from plastic foam.

Several ladies attended the slides and talk given by Calgary Parks Superintendent, Alex Munro.

LABOR RELATIONS ! ! !

A farmer tells us that he remarked to a neighbor: "That last hired man wasn't with you long, was he?" To which the neighbor replied: "He never was with me. He was against me from the start."

SERVICE BOARD

NOTES

— By —

W. K. SUTHER

Agricultural Service Board

TREES: Very shortly many thousands of small trees will be shipped from Provincial nurseries to farms throughout Alberta. It has taken a lot of effort and care on the part of some people to get these small trees started and then again to lift them out of the ground, package them and ship them to you.

It is now up to you to give them care so they will survive, thrive and beautify your home or farmstead. A word about how to care for the bundles of trees. Pick them up at your local express office just as soon as you possibly can after they arrive. They will keep very well right in the bundles for at least a week or more providing you store these bundles in a cool, dark place and make sure the bundles are kept moist. We find this system more satisfactory than where the trees are removed from the bundles and heeled into the ground temporarily. This makes less bother for you and more convenient for us when we come to plant them.

Of course, if you have a small number of trees and wish to plant them by hand yourself, by all means do that just as soon as your trees arrive. If you plan on taking advantage of our tree planting service follow the instructions given above.

Squirrel Cage . . .

JUST TO APOLOGIZE . . .

The case-worker was interviewing an applicant who asked for aid for herself and 13 children.

"But I don't understand," said the case-worker in surprise. "You say your husband deserted you ten years ago, yet eight of your children are under ten years of age!"

"Oh, I can explain that, ma'am," said the applicant beaming. "You see, he came back now and then to apologize."

HE HAS 'EM . . .

We think the fellow is just a wee bit bitter, who told us that very few married women have alibis because they give them to their husbands.

LITTLE ALBERT . . .

The guest was staring at the boy of the house, who was driving nails into an expensive table. He turned to his host. "It's none of my business, but don't you find it expensive to let your children play that way?"

The father smiled proudly. "Not at all," he replied. "I get the nails wholesale."

CHRISTIAN SCIENCE

The spiritual relationship of God and man will be set forth Sunday at Christian Science services.

Selections to be read from the Bible, in the Lesson-Sermon called "Doctrine of the Atonement," include this from 1 John (4:16,18):

"Whosoever shall confess that Jesus is the Son of God, God dwelleth in him, and he in God. And we have known and believed the love that God hath to us. God is love; and he that dwelleth in love dwelleth in God, and God in him."

Correlative passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will include (18:1,2): "Atonement is the expiation of men's unity with God, whereby man reflects divine Truth, Life, and Love. Jesus of Nazareth taught and demonstrated man's oneness with the Father, and for this we owe Him endless homage."

THEY SAY THAT . . .

Every new-born Canadian will consume 302 tons of baby food before reaching its first birthday.

DISTRICT NEWS

M.V.B.C. NEWS

(From Our Own Correspondent)

The choir appeared in its annual concert in the United Missionary church Sunday evening. We commend Mr. Witt, the director, for the work done. The choir will make a tour of churches in Alberta after commencement.

This week will be a busy one. It is the last week of school and the closing events will be given elsewhere in this paper. Be sure to read about them and try to attend as many of the services as possible.

The "Annals" are now available. They are lovely, and both students and the faculty feel it is well worth the low price asked this year. Mrs. Janice Neufeld and Mrs. Lavern Traub, with their staff, produced a book which is a credit to the college. It is still possible for you to get a copy if you have not already done so.

On Sunday evening five families of the church entertained groups of students after the choir concert. The people of the church have been wonderful to the students and faculty all winter and we do want to take this opportunity to thank them for their courtesies and interest. This means much to young people who are away from their own homes during the winter months. I am sure each one would say "thank you" if they could, through this column. We do it for them.

Examinations will conclude this Thursday at noon. Signs of relief will be heard, but anxious brows will continue until the results of the exams are returned.

A number of men worked on the home of the president during the past week. We appreciate this sacrificial labor, and much of that kind of service has been given to the college since its beginning. We want to make a list of the people who through the years have given freely of their time and labor; it would surely be a long one. To all who have helped recently, or some time in the past, may we again say "thank you."

BERGEN NOTES

(From Our Own Correspondent)

Mr. Dave Brown has sold his land to Mr. and Mrs. Wally Admussen. We understand Mr. Brown's address will still be Bergen, but he intends to do a bit of travelling, which will include a trip to his native land, England.

Mrs. Wesley Haug, who has been on the sick list for a number of weeks, is now feeling much better. Rev. and Mrs. Walter Gamble and girls of Sundre, Mrs. Anna Gamble, Mrs. Bob Payne and Miss Faith Stevens of Didsbury, and Mrs. Tryve Haug of Bergen, attended the wedding of Miss Shirley Gilmore in Calgary on April 4th.

LIGHT YOUR WAY . . .

... WITH BIBLE STUDY

The Greeks and the Romans of ancient times thought of their gods as magnified human beings, with plenty of weaknesses, and foibles, and even sins. This also applies to the Gods of the many heathen cults today. But our God is not made after the likeness of men. He is absolutely holy. There is no spot or wrinkle attached to His name. Of this truth we remind ourselves whenever we pray: "Hallowed be Thy name."

The second thought that we ought to remember when we pray these words is their full meaning: "Hallowed be Thy name," means "May Thy name be kept holy among us." To fully understand this let me explain further. What is God's name? God's name is a short revision of God. Any and every name that stands for God reveals God to man, gives us fuller understanding of God. But we have also a larger revelation of God in nature, where He reveals His powers and wisdom; in our conscience, where He reveals His wrath against sin; and in the Bible, where He fully reveals Himself. Thus, when we pray these words "Hallowed be Thy name," we ask that God grant us strength to keep His name holy. We do this by teaching His word in truth and purity and living in full accord to that word. If we, on the other hand, misuse the name of God, or alter the word, then we become guilty of misusing His Word and His Name.

Let us summarize: God's name is indeed holy of itself, but we pray in this petition that it may be kept holy among us also. We are today just speaking these words when we pray them, or are we also truly living up to their full meaning? Give this question some serious consideration.

Midway News

(From Our Own Correspondent)

Mrs. A. Good and Mrs. R. Fischer attended the graduation ceremonies at the Old School of Agriculture last week. Their respective sons, Jerry and Austin, were among the graduates.

The Midway Home and School Association meeting held on April 6th was a very busy one. The annual local school board meeting was held. Mr. Jim McCulloch, the only retiring member, was returned by acclamation. The new well at the school renewed interest in the plumbing system; the teachers asked if it would be possible to have bubblers and wash basins put in each room in the near future.

Civil defence films on nuclear warfare were shown: Mr. Barnall, Mr. Roodler and Mr. Snyder were present, as well as Mrs. George Sherriff, who acts on community welfare for Civil Defence.

Mr. H. Sawatzky, Mr. B. Fisher and Mr. J. McCulloch plan to attending a Civil Defence convention in Edmonton early in June. Congratulations go out to Mrs. Carrie Swanson, who celebrated her 75th birthday on April 4th.

ZELLA NEWS NOTES

(From Our Own Correspondent)

Mrs. Ira Scott and Mrs. Emmerson McInnis were co-hostesses for 11 tables of military whist at the Community Centre on Friday, April 3rd. Prizes were won by Mr. and Mrs. Harvey Kennedy, Mrs. Ruth Liska and Mr. Clarence Lanson. Door prize was won by Mr. George McCracken. Proceeds from the party will be donated to the Eastern Star.

On Tuesday evening, April 7th, Mrs. E. Lowrie sponsored a military whist party, with eight tables in play. Prizes were won by Mrs. Wilbur Johnke, Mr. Art Jones, Mr. Mike Knights and Mr. B. Brinson. Mrs. Art Jones also won the door prize. Proceeds were divided between the Community Club and Zella W.I.

Rugby F.U.A. will sponsor the next military whist party at Zella on April 20th, proceeds to go to the Gold Eye Junior F.U.A. camp, 100 miles west of Red Deer.

On Sunday evening, the senior, intermediate and junior choirs of the Sundre United church, presented a very delightful program at the Zella Community Centre.

Solos were sung by Rev. K. Wood, Helen Wood and Pat Rankin. Musical solos were played by Gordon Rogers on the accordion and Ken Thomas at the piano. The senior choir, under the direction of Mr. M. Mark Rankin, with Mrs. Beale Ellithorpe as organist, gave several selections. The intermediate and junior choir, with Mrs. O. Goehner, with Leslie Spence as organist, delighted the audience with several sacred songs. Mr. Rod McLeod was master of ceremonies.

Mr. A. Waldruff is recuperating at home following a recent accident. He was hospitalized in Didsbury for ten days.

Thanks go out to Mr. Tony Spooner who during the past week gave the interior of the Community Centre kitchen two coats of paint, improving the appearance of the centre.

Little Items of Local Interest

Mr. and Mrs. George Law of Calgary attended the Brusso funeral here on Monday.

Mr. Joe Melser, formerly of the local bank staff here, is in town on bank inspection duties. He is being congratulated on his first venture into parenthood — it's a boy.

Mrs. W. Slipp and family of Red Deer are visiting with Mr. and Mrs. Len Slipp for a few days this week.

Mr. and Mrs. H. Johnston and family of Lacombe were Sunday visitors at the home of Mr. and Mrs. J. Currie.

Mr. and Mrs. Wm. McCoy left Sunday to visit with their son-in-law and daughter, Mr. and Mrs. C. Alfie of Vermilion.

Mrs. J. P. Moreau and baby of Edmonton are visiting with her parents Mr. and Mrs. W. Dobbin.

Mr. and Mrs. C. Dougherty of Brooks were weekend guests at the Ed Watkin home.

— Fresh Daffodils, direct from the Pacific Coast — at Berscht's this weekend.

Visitors in Calgary with Mr. and Mrs. George Thring on Sunday, prior to their leaving to take up residence in Cranbrook, B.C. were: Mr. and Mrs. Ed Watkin, Mrs. N. Freeman, Mrs. R. Ollie, Mr. and Mrs. L. Berscht, Mr. and Mrs. A. Allen, Mr. and Mrs. J. Shannon and Mr. and Mrs. J. Tuggle.

Mr. Harry Gabel was among the winners in the latest Calgary-Alberta crossword puzzle contest. Harry has had entries in this contest since its inception but this is the first time he's gained any of the blue chips. His winnings amounted to \$68.75.

SEVEN SYMPTOMS TO LOOK FOR

The seven symptoms that may indicate cancer are:

1. Unusual bleeding or discharge.
2. A lump or thickening of the breast or elsewhere.
3. A sore that does not heal.
4. Persistent changes in bowel or bladder habits.
5. Persistent hoarseness or cough.
6. Persistent indigestion or difficulty in swallowing.
7. Change in a wart or mole.

CARD OF THANKS

I wish to thank Dr. Bankier and the staff of the Didsbury hospital for the care given me during my stay there; also to friends and neighbors for cards and visits.

1tp ART WALDRUFF

CARD OF THANKS

I would like to thank Drs. Bankier, O'Hea and Paul, and the staff at the hospital for their kindness and care during my stay in hospital. Thanks also to those who sent flowers and cards, and those who visited me.

1tp MRS. S. W. TIGHE

ENGAGEMENT ANNOUNCEMENT

Mr. and Mrs. J. R. Macintosh, Owen Sound, Ontario, wish to announce the engagement of their youngest daughter, Orion Isabel, to Mr. Leslie Herbert Goetjen, both of Calgary, Alberta, son of Mr. and Mrs. H. J. Goetjen, Wescott, Alberta, to be held at Mt. Calvary (Lutheran) Church, Calgary, on Saturday, May 9th, 1959, at 3 p.m.

CARD OF THANKS

We wish to thank the Didsbury Fire Department and all others who helped at the fire last week.

Mr. and Mrs. H. E. Wood
